#### **Winning tickets can be cashed at casino cage when Sports Book is closed**

\***Minimum Wager** is \$5 on "The Big Game" and Prop Bets

\***To avoid long lines, wager early and cash later.** Wagering before Sunday will reduce the time spent in line. Cashing later on Sunday night, or on Monday will also save you time. Winning tickets are valid for 365 days from the event date. Winning tickets may also be mailed in for payment. Follow the instructions on the back of your ticket for mail in directions. **(See note below for PROP BET cashing).**

\* On Sunday, the **Race Book** will be reserved for race players from 7am-3pm.

\* A Sports Kiosk betting station is available outside the Suncoast Showroom.

\***Betting sheets** listing all the prop bets and rules are available in all sports wagering areas. Sheets are comprised of the opening odds. The electronic boards in the Sports Book will display all the current lines.

\* **To speed up the wagering process,** please have your **betting numbers ready** before arriving at the betting window. If you have any questions regarding any type of wager, please ask any race and sports book team member prior to placing your bet.

\* Please **check your tickets** before leaving the betting window. **Tickets will NOT be voided once you leave the window. Tickets go as written. NO REFUNDS.**

\* There will be many propositions bets available on the game. Some prop bets will be posted (ready for cashing) during the game, but most prop bets will not be posted until we receive the **official box score** on the game. This process can take up to **90 minutes after the game is completed.** Once results are confirmed and are posted on the electronic boards, these prop bets will be available for cashing. Please have patience for these results.
